STARCAST

CONWAY STAND (A)

Heavy-weight cast iron stand w/ heavy "Brass Plating" provides brilliant appearance. Outer ring has 13 stars. Non-skid rubber feet protect all flooring.

Will accommodate 1", 1 5/32" and 1 1/4" diameter poles.

STARCAST

WASHINGTON STAND (B)

Same exact high quality stand as the StarCast - Conway with the exception of the finish. The StarCast - Washington has a painted gilt finish.

Will accommodate 1", 1 5/32" and 1 1/4" diameter poles.

ELITE STAND (C-D)

Super strong ABS plastic with bright vacuum-metallized chrome or gold finish. Each stand is provided with adapter sleeves to allow use with poles of 1", 1 5/32", or 1 1/4" diameters. No need to inventory various size stands. One stand now accommodates all the popular size poles.

BASIC STAND (E)

Molded ABS Plastic with traditional gilt type finish. Same classic design and Uni-Size features as the Elite stand.

ECONO-CAST STAND (F)

Durable cast iron with gold finish. The Econo-Cast stand has a longer neck for maximum support for 1" diameter poles without setscrews. Suggested for flag displays with poles up to 8'.
