U.S. FLAGS & YACHT ENSIGNS

DURAWAVEZ[®]

U.S. flags and Yacht Ensigns are constructed with a high tenacity Dupont branded nylon creating the highest quality, greatest fade resistant nylon manufactured for outdoor flag use.

Flags feature our premium embroidered glossy stars and lock stitched sewn stripes. They are finished with the highest durable polyester canvas heading reinforced with precision stitching and spurred brass grommets. The flyend is finished with four rows of superior lock stitching for a highly durable reinforced outdoor weather product.
